TERMINAL DISCLAIMER UNDER 37 CFR 1.321

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

The owner, Teijin Chemicals, Ltd., of 100% interest in the instant application, hereby disclaims, except as provided below, the terminal part of the statutory term of any patent granted on the instant application, which would extend beyond the expiration date of the full statutory term defined in 35 USC 154 to 156 and 173 as shortened by any terminal disclaimer filed prior to the grant of any patent granted on pending Application Number 10/476,390, filed October 31, 2003 and Application Number 11/152,372, filed June 15, 2005. The owner hereby agrees that any patent so granted on the instant application shall be enforceable only for and during such period that it and any patent granted on the said application Serial Nos. 10/476,390 and 11/152,372 are commonly owned. This agreement runs with any patent granted on the instant application and is binding upon grantee, its successors or assigns.

In making the above disclaimer, the owner does not disclaim the terminal part of any
07/18/2006 JADD01 05600075 10736682
patent granted on the instant application that would extend to the expiration date of the full 130.00 OP
statutory term as defined in 35 USC 154 to 156 and 173 of any patent granted on Serial Nos.
10/476,390 and 11/152,372, as shortened by any terminal disclaimer filed prior to the patent
grant, in the event that any such granted patent: expires for failure to pay a maintenance fee; is

held unenforceable; is found invalid by a court of competent jurisdiction; is statutorily disclaimed in whole or terminally disclaimed under 37 CFR 1.321; has all claims cancelled by a reexamination certificate; is reissued; or is in any manner terminated prior to the expiration of its full statutory term as shortened by any terminal disclaimer filed prior to its grant.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.

 The undersigned is empowered to act on behalf of the organization.

X The undersigned is an attorney of record.
